RE: Reinstatement of Probation

Dear Dr. Locnikar:

The Board, at its April 2, 1997 Board Meeting, voted to reinstate your medical license under probation effective April 3, 1997. You are currently able to engage in the practice of medicine pursuant to your former executed Stipulated Consent Orders and all their requirements. I am drafting a new order which will combine all previous orders into one document. Until that document is executed, please just adhere to all probationary requirements previous entered.

Should you have any questions, please do not hesitate to contact me at 255-1747, ext. 22.

Sincerely,

Ann Marie Berger
Executive Director
